

BOARD OF SELECTMEN – February 17, 2010

MINUTES:

Meeting called to order at 11:00 AM. Present were First Selectman Donald Stein, and Selectman William Downes. Selectman Gregory Cantwell joined the meeting by telephone.

MOTION: A motion was made by Greg Cantwell, seconded by Bill Downes, and approved unanimously to approve the Façade Improvement Program application by Hitchcock Properties for painting of the Lambert House in Riverton. The approval is for painting of the house and its roof and for installation of gutters. The application included a request for funds for installation of a fence at the back of the property, but this latter task was disapproved. It was felt that a stockade fence did not qualify for these funds and that the fence was not in keeping with the historic district.

MOTION: A motion was made by Bill Downes, seconded by Greg Cantwell, and passed unanimously to adjourn the meeting at 11:15 AM.

Respectfully submitted,

Donald S. Stein
First Selectman
